

# Downloading eBooks to a Mobile Device (Android or Apple)

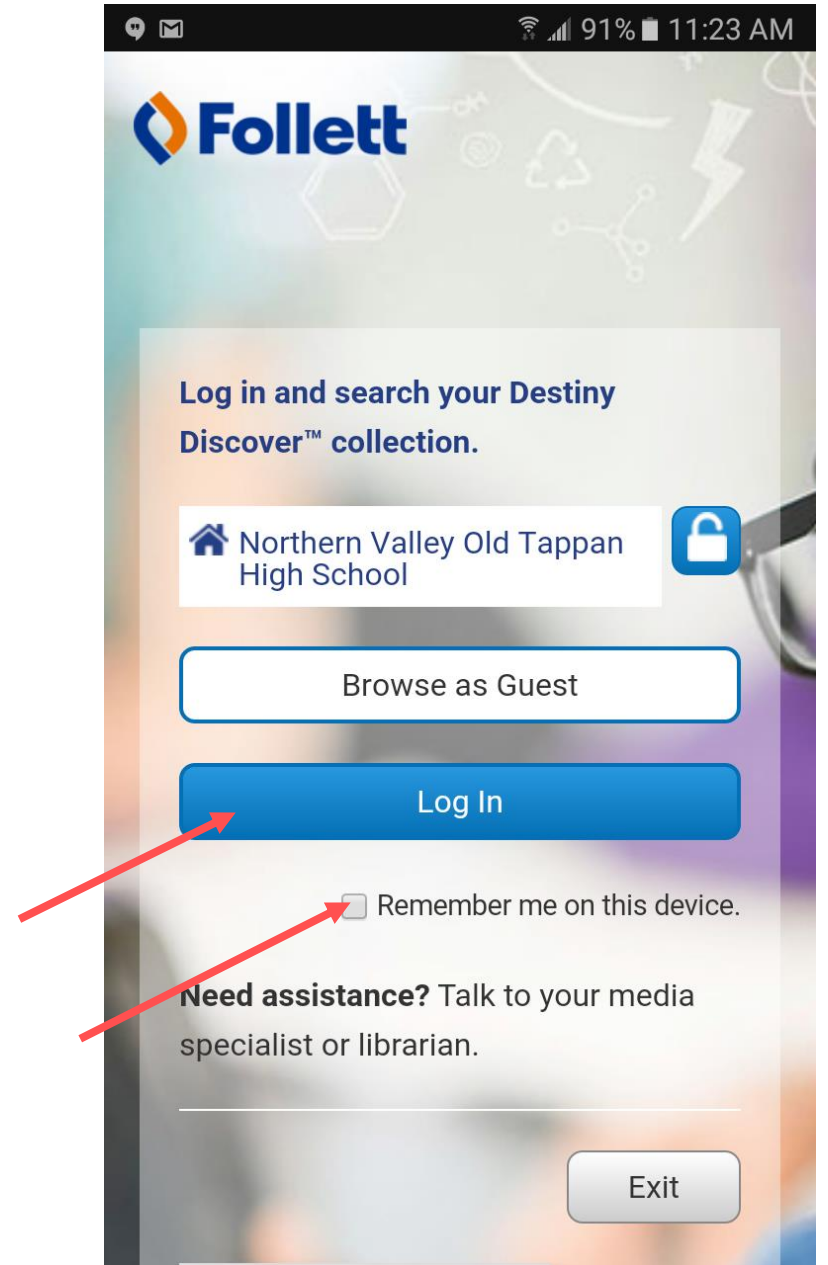

**Step 1. Download the FREE **Follett Destiny Discover** app from your Google/Apple app store.**

**Step 2. Open the app and choose **Location** (state) from the drop down menu and enter your **school** name.**

A screenshot of a mobile app interface. At the top, the status bar shows a signal icon, a mail icon, 91% battery, and 11:28 AM. The app's header features the 'Follett' logo in blue and orange. Below the header, the text reads 'Log in and search your Destiny Discover™ collection. Find your school to start your search.' There are two input sections: 'Location' with a dropdown menu currently showing 'Any Location', and 'School' with a text input field containing the placeholder 'Enter your school's name'. An 'Exit' button is located below the 'School' field. At the bottom of the form area is a blue button with white text that says '+ Want More Information?'. The footer of the app contains the text 'Terms of Use' and 'Copyright © 2016 Follett School Solutions, Inc.' in small print.

Step 3. Choose **Login** (you may also wish to select **Remember me on this device**).

Step 4. Enter your school provided Google account (not enabled at all schools)

OR

your **username** and **password** provided by your school library and click the **Submit** button.

Step 5. **Search** or **browse** for books.

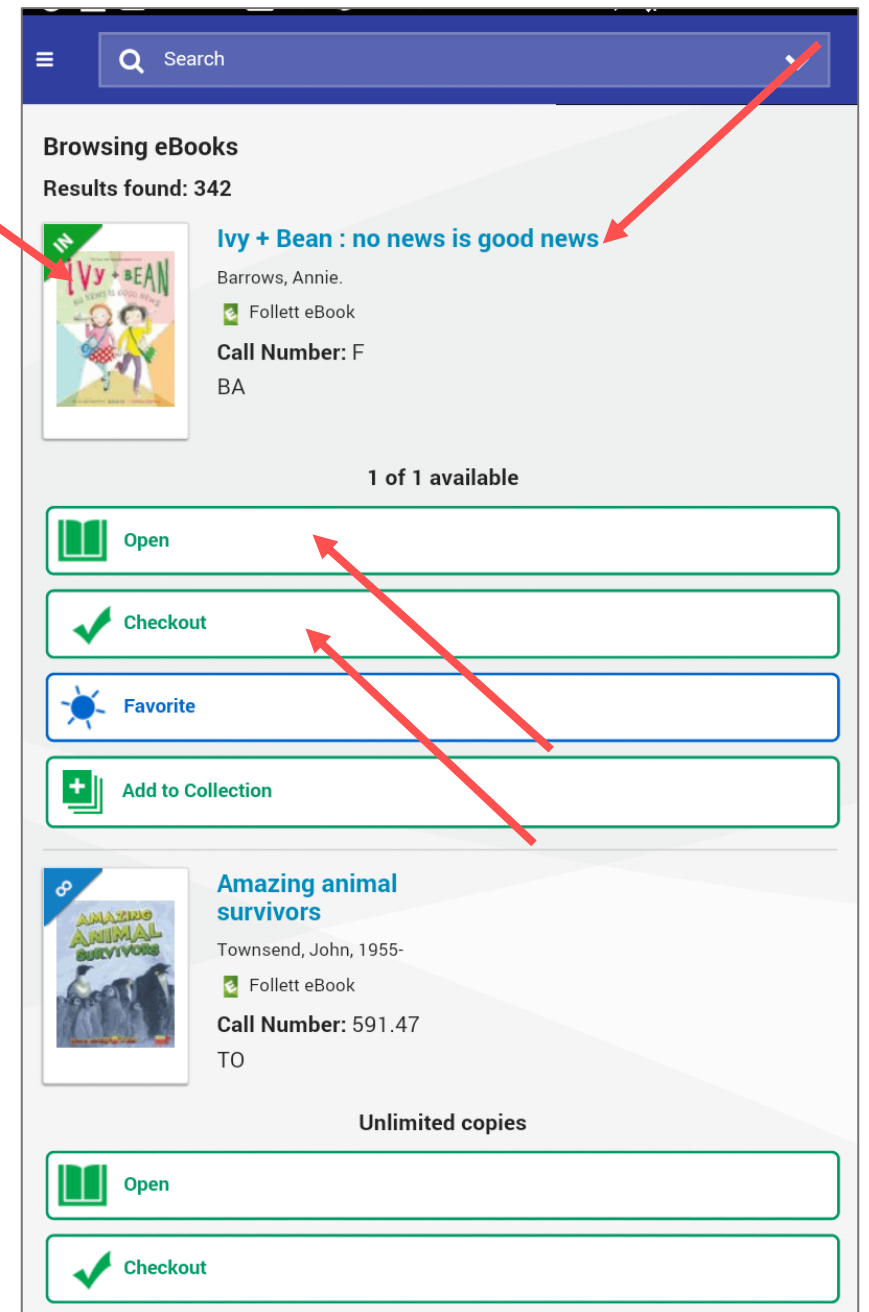

Step 6. Tap the **book cover** or **book title** for more information.

OR

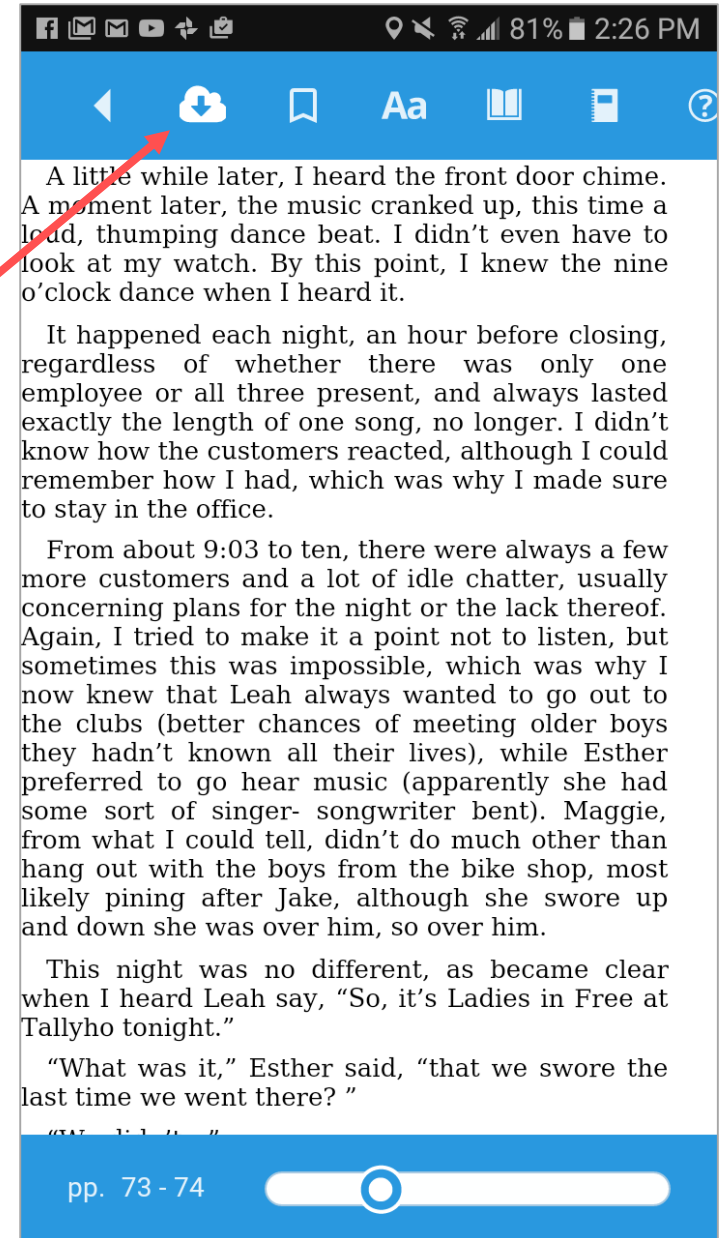

Step 7. Tap the **Checkout/Hold** button. If the title is available this will checkout the title to you – if the school's copies are checked out, you will be placed on the waiting list for the next copy.

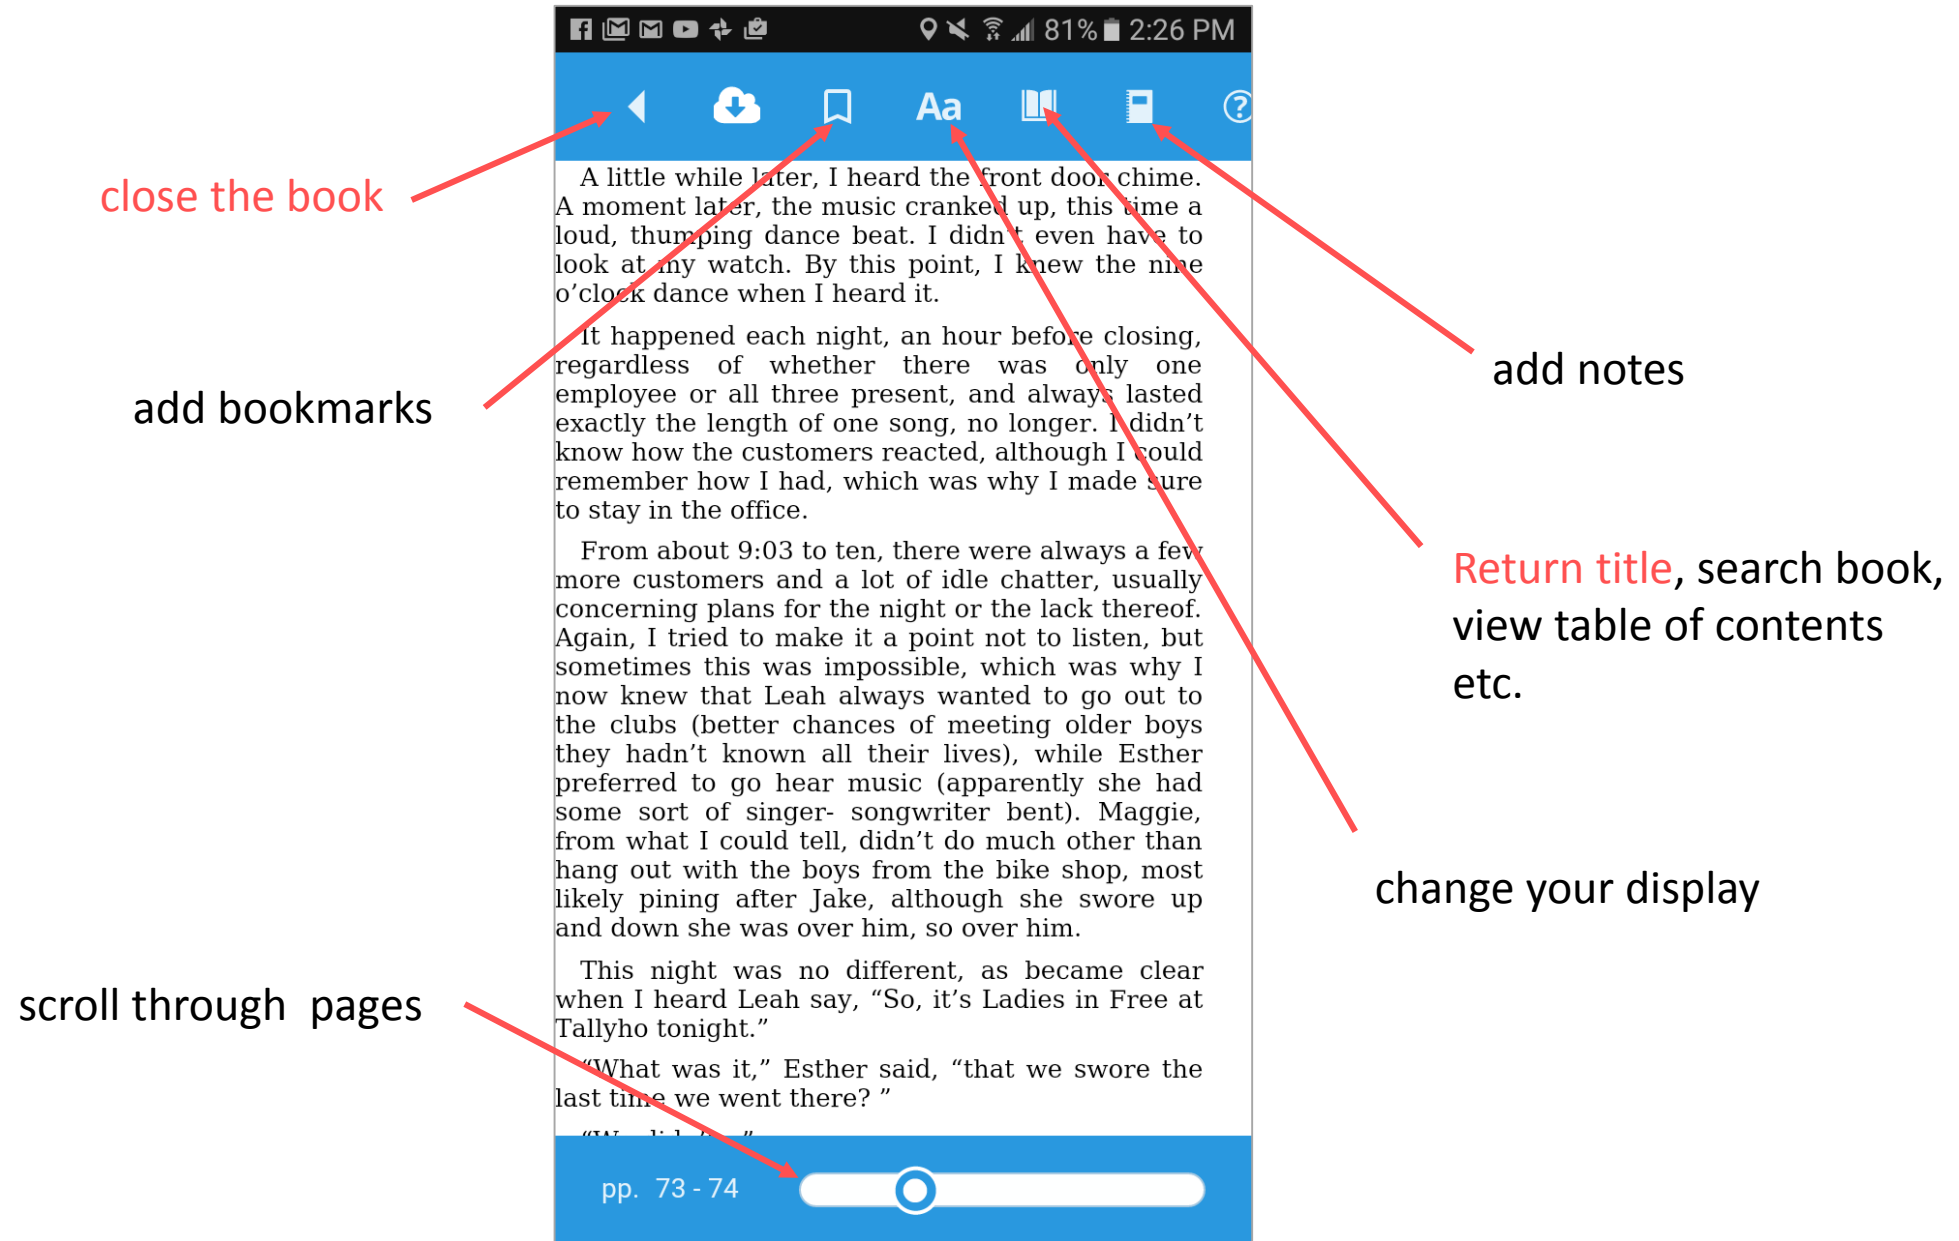

Step 8. Tap the **Open** button to begin reading immediately (if the book is not checked out by someone else).

**Step 9. Once the book is open, download it to your device by clicking the **cloud icon**. If you haven't checked the book out at this point, downloading will automatically check it out to you.**

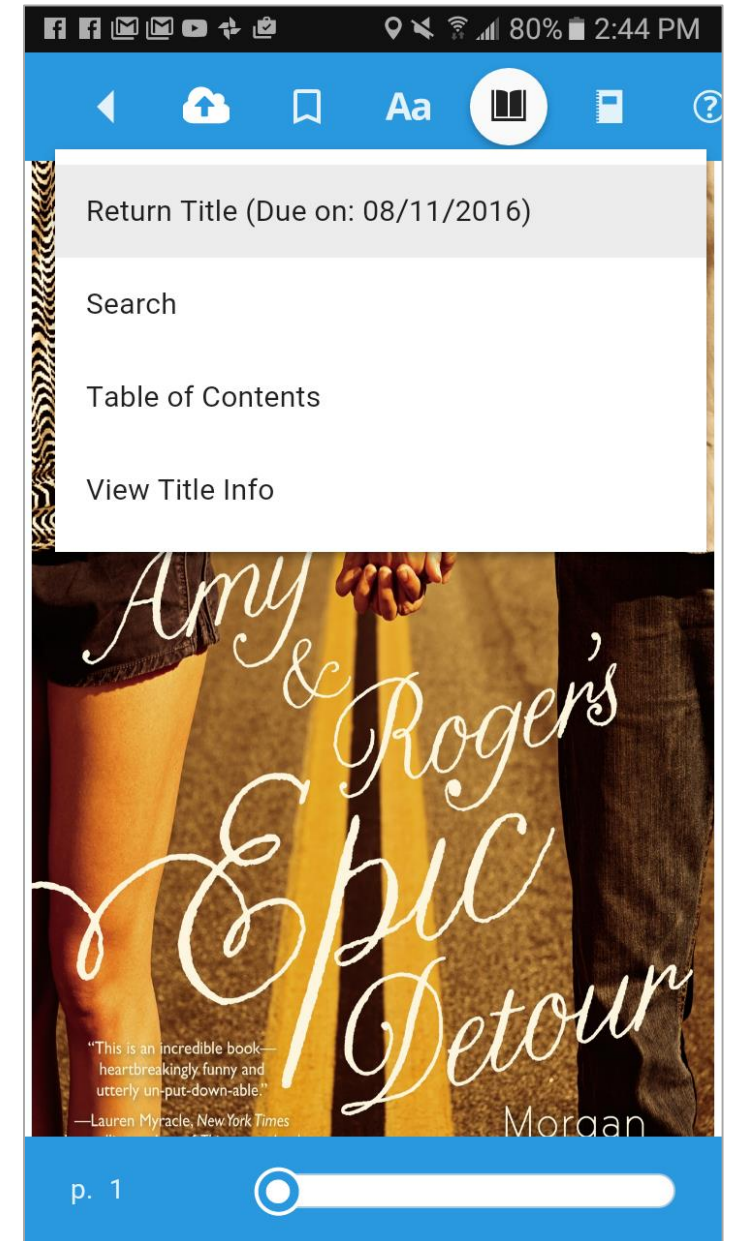

**Step 10. Turn pages by **swiping** left or right.**

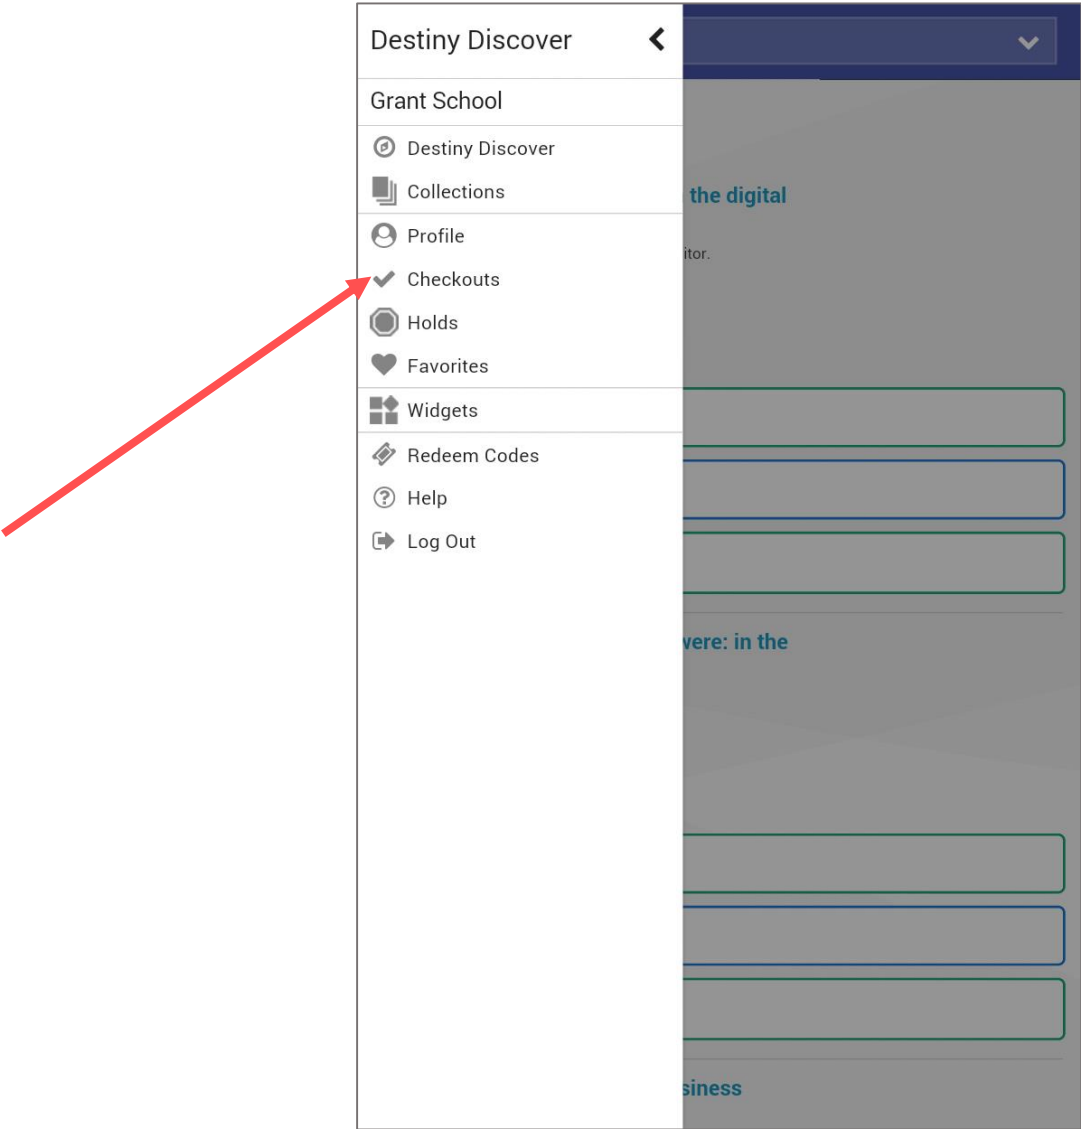

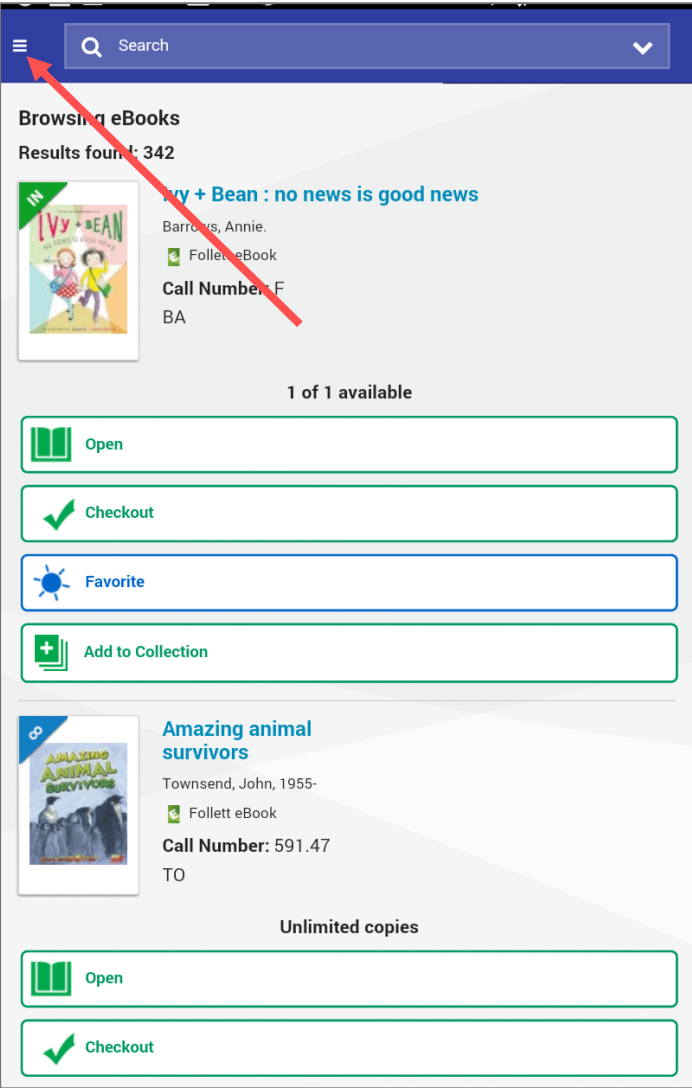

**Step 11.** To return a downloaded book, tap the book icon and select **Return Title**.

Step 12. To see all your checkouts and return titles that have not been downloaded, close the book (see slide 6) and go to the **menu** ≡ then click **Checkouts**.

**Step 13. From your **Checkouts**, you can open your checked out titles or return them early.**
